OFFICIALS DENY REPORT OF SALE,

St. Louis Transit Again Said to Be Negotiating for the Sabarban.

ELEVATED ROAD FRANCHISE.

Charles Green States That a Plan Is on Foot to Build Before the Opening of the World's Fair.

It was reported in local financial circles resterday that negotiations were again un-ferway for the purchase of the St. Louis 'musit Company, The report, however, rethe two reads. The pool controlling about per cent of the Suburban stock, it is said, is bolding out for par for its hold-ings. According to the report, considerably less than this is offered by the Transit

Charles H. Turner, president of the Sub-urbah, when naked about the reported pur-chase of his road by the Transit Company, chare of his road by the Transit Company, fatly denied that there was any trath in it. He said that rumors of the kind had been circulated from time to time, but none of them were founded on fact.

Officials of the Transit Company also denied the report. Bitcker James Campbell, whose name was coupled with the reported sale, said that the Transit Company had not purchased the Schurban, and that any report to that effect was greanties.

Elevated Roard Franchise.

hich was grainted in 1882. Upon this point is was silent.

Transit Company officials stated that they new nothing about an elevated road. The report was a common topic in trust supany offices. At the Mercantile the Insersion prevailed that plans for an elevated road soon will be announced, but the flears were averse to stating upon what rounds they base this opinion. They also clined to say what interests are supposed be identified with the project.

While the old Scott franchise is recarded a dead, it is said that there would be persupe less difficulty in reviving it than in string through any other measure for a ght of way, and the present promoters e understood to be figuring upon this opposition; An elevated along Breadway om North Market street to Choulean axese, taking in all of the railway substances and branching out from Morgan street cut. The Scott franchise ran from Third rect out Morgan to Twenty-third street, with on Twenty-third to Washington avected, thence west to Jefferson avenue, on fleraon to West Jefferson avenue, on fleraon to Vest Jefferson avenue, out ally to Forest Park.

The original grant was made under the original grant was made under the original grant was made under the midditions that the road would be house of

Scott Franchise May Be Revived It is said that the attempt to revive the old Scott franchise or get a new one will be made under similar conditions. There are expected to be changes made in the route, but in the main the old one will be followed. A spur to take in the traffic from Union Station is deemed necessary. The cost of construction of an elevate road is estimated at about \$25.00 a mile. The distance covered by the proposed system is about seven miles if he believe there would be no disliculty in construction and equipping the road within a 5-2 months, and the only augestion is meaning the franchise upon terms that will obvious delays occasioned by injunction suits.

WIGGINS CASE GOES OVER.

Mercanille Trust Company's Attorneys Asked Court for Continuance. Hostilities were suspended yesterde-

it, but the probability of such a thing degred by the counsel of both plaining defendants, as particular case called for trial years, was rayled Mercantile Trust Company assainst William J. Lamp, in which company is seeking to restrain the ver from selling any of his Wiggins by stock to the Mississippi Valley Trust upon;

Perry stock to the Mississippi Valley Trant Company.

Judge Klein stated to The Republic that while both sides of the case had agreed upon a continuance there was no disposition on the part of either to drop the light for the case is in absolute statu quo," said he There has been no effect made to compared the case and I have no knowledge that such an effect is likely to be made. We were not ready for trial, and Judge Ferriss could not find room on his docker for the case before the October term. As the mater's stands either side can file a motion to have the case set down earlier on the docker.

Henry S. Priest of Boyle, Priest & Lehmann, representing the Mississippi Valley Trust Company, corroborated Judge Klein's statement that the case was not to be softled out of court, as did also Daniel S. Kirby, who is associated with counsel for the plaintiffs.

Weak Stomachs Cured

Thousands of persons suffer from indigestion, weak stomach, mal-

assimilation and kindred evils. The disease is either acute, sub-acute

or chronic, and if not arrested speedily assumes a malignant charac-

ter, impairing the entire system. Even in its mildest form indigestion

causes a variety of distressing symptoms, such as Sick Headache,

Biliousness, Nervousness, Dizziness, Heartburn, Sleeplessness, Foul-Breath, Loss of Appetite, Bloated Stomach, Sallow Complexion and

other disturbances. It should be understood that all the foregoing

symptoms are not manifest in every case, but some of them are, and

their presence indicates a derangement of the stomach that will con-

the ills arising from a disordered stomach. It promotes the secretion

of the gastric juice necessary to perfect digestion, gives strength and
